RE: Letter of Request

Dear Industry Partner,

We extend our invitation to you on behalf of the Michigan Chapter of the American College of Cardiology to join us as a sponsor/exhibitor at our 38th Annual Conference, September 26-27, 2026, at the Grand Traverse Resort and Spa in Acme, MI.

This two-day conference will allocate exhibit hours on Saturday and Sunday during breaks and the poster showcase. Exhibits will be situated in ballrooms and assembly areas, strategically adjacent to educational sessions but in separate spaces.

Each exhibit package (silver, gold, platinum, and diamond) includes one or two 6' exhibit table(s), complimentary registration for 2-6 company representatives, and opportunities to sponsor various events like the welcome reception, mentorship reception and more. Additionally, we're offering product theater opportunities to our diamond sponsors. Detailed information about the exhibit packages is [available here](#).

Our 2025 conference attracted more than 330 cardiovascular specialists, including cardiologists, fellows-in-training, Physician Assistants, Nurse Practitioners, nurses, pharmacists, and catheterization laboratory technicians. The 2026 conference planning committee is in the process of curating another compelling program that is expected to attract an outstanding audience. Additional conference information can be [found here](#).

Thank you for considering our invitation. We hope to collaborate with you. To confirm your participation, please fill out the form [available here](#).

Sincerely,

Catarina Stromberg  
Executive Director  
*Michigan Chapter of the American College of Cardiology*
